# ABOUT BLUESMART

Boasting of more than 12 years of experience, Bluesmart Technologies (A unit of Maxotel Industries) has become one of the key manufacturers, exporters, importers, traders, suppliers and service providers of a wide range of electronic products. We have been providing the products with a latest gamut of Chargers, Circuit Boards, Wires/Cables & Accessories. All the products are designed using high quality raw materials to ensure durability, performance, low power consumption and maintenance. Our team of talented professionals helps us to design the products in various sizes and dimensions to match up with the needs of the products. Our huge warehouse aids us in the storage of quality products in bulk meet the demands of the products on time. Incepted in the year 1997 at Ghaziabad, (Uttar Pradesh, India) we have been providing the products with the best at best prices. Our 2 state-of-the-art manufacturing units are loaded with latest technology machines and tools to design an innovative gamut of products to meet the demands of the industry. In addition, we guarantee that the Winding Wire available with us are of high quality and meet all the needs of customers. We proficiently implement latest technology in the products for meeting the expectations of our quality-concerned customers. Backed by sound manufacturing facilities, we upgrade the quality of our range systematically, in compliance with the international quality standard. With quality products, timely delivery and affordable pricing, we have earned the trust of huge productele, based in Indian Subcontinent and the Middle East.
